Join the Heart of Healthcare

Build a Meaningful Orthopedic Practice With Autonomy, Balance, and Impact

Care With Purpose: St. Luke Community Healthcare is a *community-owned, 25-bed critical access hospital* serving the Mission Valley (population approximately 30,000) with compassionate, high-quality care. With state-of-the-art facilities, comprehensive primary and specialty services, and a strong commitment to patient satisfaction, St. Luke offers a supportive, mission-driven environment for healthcare professionals.

About St. Luke: St. Luke is where orthopedic surgeons do **meaningful work without the bureaucracy**. As a community-owned hospital with strong leadership and modern resources, we empower surgeons to practice at the top of their game while enjoying the unmatched lifestyle of Montana's Mission Valley.

Work Here, Thrive Here: Ronan, Montana sits in the heart of the **Mission Valley**, framed by the Mission Mountains and just minutes from Flathead Lake. The area offers exceptional access to outdoor recreation — hiking, fishing, boating, skiing, and golf — with **Glacier National Park** and **Missoula** within easy reach. Known for its welcoming, close-knit community and rich cultural heritage, Ronan offers a rare blend of small-town connection and Montana adventure.

Ideal Practice: This is an excellent career growth opportunity. With a broad case mix, leadership that supports surgeon decision-making, St. Luke offers a place to build, not just join, a practice.

- **Community-Owned Hospital (25-bed CAH)**
- **Full-time Orthopedic Surgery role**
- **Mission Valley, Montana**
- **Broad scope, high autonomy, no bureaucracy**
- **Early-Career Friendly Opportunity**
- **Total Joint, Sports Medicine, General Orthopedics**

"St. Luke allows me to practice orthopedics the way it should be - focused on patients and the community." - Dr. Michael Dolecki
